EXPERIENCE

Designlab, Remote — *Learning Experience Designer (Freelance)*

OCT 2022 - PRESENT

- Produced 27 video tutorials illuminating tools, practices, and design principles in Figma.
- Facilitated live workshops, demonstrating tasks, explaining principles, and responding to questions.
- Received overwhelming praise from participants and colleagues for insightful explanations.

ASEAN-Australia Strategic Youth Partnership, Remote — *UX Designer (Freelance)*

JUN 2021 - AUG 2021

- Lead their Wordpress team's restructuring of a project page, developing the layout and much of the copywriting.
- For AASYP's next project, I took over as the solo designer and site builder. I created the [Digital Dialogues](#) site on the Wix platform.

Vietnam Australia International School, Vietnam — *Primary Education Teacher*

NOV 2014 - NOV 2021

- Researched and designed a unique and highly effective classroom activity that was engaging for students and simple to replicate for teachers.
- Used emerging technologies to enhance the learning environment, student participation, and assessment accuracy in and out of the classroom.

EDUCATION

Stockton University, Galloway, NJ — *Bachelor of Arts*

SEP 2005 - DEC 2010

SKILLS

Figma Mastery: Extensive expertise in utilizing Figma to its fullest potential, leveraging its features and capabilities to create highly polished and professional designs, developing responsive designs, beautiful interactions, powerful prototypes, and well organized design systems.

Usability Testing: Skilled in conducting thorough user research, executing usability testing, and leveraging user feedback to drive informed design choices.

Visual Design: Possess a keen eye for aesthetics, encompassing color theory, typography, and layout principles to develop visually captivating and harmonious designs.

Video Tutorials: Experienced in creating comprehensive video tutorials using Descript, effectively communicating complex design concepts to a wide audience.
